TEXAS WORKERS' COMPENSATION MANUAL

For use until
December 31, 2024

Flahive, Ogden & Latson
Austin, Texas

PLACE ORDERS TODAY FOR YOUR
NEW 2024 Texas Workers' Compensation Manual

55th Anniversary Edition

The 55th edition of *Texas Workers' Compensation Manual*, the oldest, most authoritative, and concise reference for this body of law, is now available for pre-order.

For more than five decades courts, insurance companies, employers, employees, attorneys, health care providers, governmental agencies, and other system stakeholders have all been well served by this important legal reference.

This year's manual will include all updated statutory provisions adopted by the 2023 Legislature and all agency rules adopted since the last edition. In addition, the Manual includes statutes and cross-referencing discussions of legislative intent and analysis, agency interpretations (including preambles to agency rules and Appeals Panel decisions), as well as summaries of all of the important judicial decisions. All of this is accompanied by expert analysis and commentary that you have come to expect.

The editor also reviews every court case and Appeals Panel decision issued since the last edition and summarizes and categorizes them to reflect only the important legal point or points of the case.

We hope you agree with the tens of thousands who have used it for over half a century that the *Manual* is the tool for all of your workers' compensation needs.

ORDER TODAY- AS WE FILL ORDERS AND SHIP BOOKS ACCORDING TO DATE OF PAYMENT, SO RESERVE YOUR BOOK FOR EARLY DELIVERY, EXPECTED TO BE EARLY FEBRUARY 2024.
